We are pleased to advise that your application for reactivation/readmission to the 2022 Fall term has been accepted. Your reactivation/readmission is to the following program of study:

BSC Computing Science

An email will be sent to you closer to the enrollment period on how to activate your SFU Computing ID. For details see http://www.sfu.ca/itservices/accounts/computing_id.html. Your student financial account must be in good standing with no fees owing, please see <http://www.sfu.ca/students/fees/howtopay.html>.

As program requirements for your area of study may have changed while you have been away from university, or if you are now in a "non seeking degree" program and wish to pursue a credential program, it is recommended that you consult a program advisor at your earliest convenience. A list of program advisors can be found at http://www.sfu.ca/students/academicadvising/contact_us/sfu_advisors.html.

The expected length of study for an undergraduate program is:

		<u>Year Equivalents (accumulated units)</u>
First Degree	(120 units) 4 years	Year 1 = fewer than 30 units
Second Degree FASS (as of 2009)	(min. 60 units) 2 years	Year 2 = 30 - 59 units
Second Degree (other faculties)	(min. 45 units) 2 years	Year 3 = 60 - 89 units
Diploma	(min. 30 units) 1 year	Year 4 = greater than or equal to 90 units
Certificate	(min. 18 units) 1 year	

We are a tri-semester university whereby:

Enrollment for the Fall term (September to December) begins in July
Enrollment for the Spring term (January to April) begins in November
Enrollment for the Summer term (May to August) begins in March

If you are not a Canadian citizen or a permanent resident, you must apply for a Study Permit (visa) to study in Canada. This letter of readmission is required for the application see www.cic.gc.ca for details.

If you do not enroll in courses for this term and wish to attend a future term you are required to submit a new reactivation/readmission form by the end of the first week of classes of the desired term.
