Senior Full Stack Developer

RELEVANT WORK EXPERIENCE

Resume Worded, London, United Kingdom
Education technology startup with 50+ employees and $100m+ annual revenue

Senior Full Stack Developer   08/2021 – Present

- Supervised 30 developers that created RW's e-commerce platform that could scale up to 1M daily visitors.
- Directed RW's technical support and operations teams to successfully solve over 400 customer complaints, maximizing uptime and achieving 90% customer satisfaction.
- Designed and developed over 15 full-stack solutions that solved 70% of use cases from embedded devices, and web UI to backend and database.
- Guided and managed a 15-member development team to grow their technical skills via mentoring on operational improvements, coding practices, and technical issue resolutions; improved productivity by 49%.

Polyhire, London, United Kingdom
NYSE-listed recruitment and employer branding company

Lead Software Developer   10/2019 – 07/2021

- Spearheaded 9 projects that improved the company's revenue by $4.3M through automation and usability improvements to the existing software platform of Growthsi.
- Led the effort that saved Growthsi $100K per month by developing script automation software, which streamlined an existing labor-intensive process.
- Managed a team of 14 developers on a project that delivered a new product to the market within 21 weeks while meeting all quality and performance goals.
- Delivered a database-driven web application for a $900K project by supervising a team of 11 developers.

Growthsi, London, United Kingdom & Barcelona, Spain
Career training and membership SaaS with 150,000 users

Front End Web Developer   06/2018 – 09/2019

- Created an application interface that integrated 35 third-party APIs and improved sales results by 80% within 3 weeks on the job.
- Improved the home page views of Polyhire from 1.5K to 150K weekly through SEO optimization, A/B testing, and conversion rate optimization.
- Reduced development time by 70% through code reuse in JQuery libraries for various projects with over 5.8K combined page visits.
- Increased the search engine visibility for RW's e-delivery franchise, averaging a 91% daily increase QoQ.
